TO WHOM IT MAY CONCERN:

My company has been working with Associated Rewinds since 2011, and I am happy to confirm that their workmanship and on-time delivery has been excellent. They are our sole UK overhauler of ac traction motors and ancillary fan motors of Hitachi Class 395 Javelin Emus.

We have a good working relationship with the whole team in Dublin. I have no hesitation in recommending Associated Rewinds (Irl) Ltd as a company to do business with.

Please let me know if you require further information.

Yours faithfully
